# Coming in

In the morning I will go to my classroom door. My class teacher will be there to say good morning to me. I will kiss and hug my grown up and then say goodbye. I will go through my classroom door into my classroom. My new friends along with my teaching assistant will be there to help me to put away my belongings.

# Coming in

When I am inside my classroom I will hang my coat on my own peg, put my book bag in my own tray and place my water bottle in it's place.

# Classrooms

**Robin Class**

**Hedgehog Class**

**Squirrel Class**

There are three classrooms in Reception.

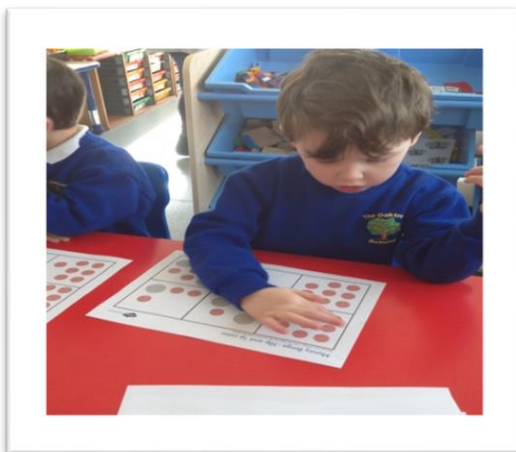

# Outside classrooms

There are three outside classrooms where we have lots of fun learning activities to choose from.

During the day I will learn in different ways.

For some of my learning I will be supported by an adult to try a new learning challenge.

For some of my learning I can choose what, where and how I learn and play.

# Learning at the Oaktree is fun

When I'm in my classroom there are lots of different learning activities for me to choose from.

# Learning at the Oaktree is fun

I am able to learn outside  
whatever the weather!

I will eat my lunch in the hall  
with my friends.

Or maybe in our lunch club.

# Going home

At the end of the day it is story time. After story time I will collect my coat, my book bag and my water bottle and wait until I hear my name to stand up and say hello to my grown up. I will be able to tell them all about my wonderful day!
